Phone: 8919643702 | Email: saikumar78200@gmail.com | Nellore, Andhra Pradesh

PROFESSIONAL SUMMARY

Motivated B.Tech student in Electronics and Communication Engineering with hands-on experience in web development and embedded systems. Currently working as a Web Developer Intern with strong knowledge in HTML, CSS, JavaScript, and Bootstrap. Passionate about building responsive web applications and IoT-based solutions.

TECHNICAL SKILLS

- Programming: Java, Advanced Java, C
- Web Technologies: HTML, CSS, JavaScript, Bootstrap
- Tools & Technologies: JDBC, Maven, Microsoft Office
- Embedded Systems: Arduino Programming, Sensor Integration, Circuit Design

INTERNSHIP EXPERIENCE

Web Developer Intern – Genz Educatewing

- Developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Designed user-friendly interfaces and structured layouts.
- Gained real-time project experience in front-end development.

PROJECTS

Quiz Console Application (Java)

- Developed a console-based quiz app using OOP concepts.
- Implemented user input handling and score evaluation.

Home Security Alarm System (Arduino)

- Designed and built an Arduino-based security system.
- Integrated motion sensors and buzzer alerts.

EDUCATION

B.Tech – Electronics and Communication Engineering
Narayana Engineering College

HSC – Narayana Junior College (76.5 GPA)
SSC – Siddhartha DVS High School (99.1 GPA)
